

Kimaka's Introduction...

Our next speaker is one of the most highly sought after female speakers and has trained and motivated people from all over the United States.

After a successful career with ExxonMobil as a Senior Petroleum Geologist, Kimaka went into business for herself, building Refining Redefining in Houston, TX from a spare room in her home. Her vision was to "refine the way professionals redefine themselves" by providing training that not only offers tips to change behaviors, but influences participants to change the perceptions that lead to their old habits. Today, Kimaka's clients include an impressive list of Fortune 500 companies, industry associations, and academic conferences.

Her unique specialization is advancing the personal responsibility and accountability of professionals. She is the author of the highly acclaimed book, *"Change the Reel: Understanding the Value of Personal Responsibility"*. **[Hold up book]** She is also preparing to release a follow-up edition entitled *"Reel Changes: Activating the Power of Personal Responsibility in Your Life"*.

Beyond her success as an entrepreneur and author, Kimaka has been featured in the news and on radio shows throughout the country for her work in the area of personal development.

Today, Kimaka is here to talk to us about **[insert program title]**.
